The Hon. Allan Dulles

Washington, D. C.

Dear Mr. Dulles:

These are crucial days in the history of our beloved America and more than we can say we appreciate the firm stand our government has taken as regards communism--NO compromise. As citizens, we are fully behind this stand.

Here through our office and home we are trying to alert people to the true meaning of communism by distributing copies of Dr. Fred Schwarz's testimony before the House Un-American Activities Committee, etc., and J. Edgar Hoover's "Masters of Deceit."

Above this, we approach the matter on our knees in prayer to Almighty God, for "Unless the Lord build the house, they labor in vain that build thereon." We pray for you, in your mighty task, that you may be used much to help preserve our basic freedoms.

Very truly yours,

Carrie Lea Thompson
